1. Source learned from a member of the VP that an airfield was going to be constructed at Bromenhain near Rothenburg in Upper Lusatia in addition to those in Dautzen and Karenz. 2. Source learned from a driver in Horka that the former landing strip in Bremenhain near Lodenau which had been released by the Russians for cultivation had again been confiscated. According to local residents the landing strip was to be enlarged for use by the Russians. 1. Comment. This is the first information on the reactivation of the former temperary airfield near Bremenhain. The information may be correct since the airfield mentioned is in the area in which the WF air division is being activated.
